BRIEF HISTORY

International Trading and Technical Services Co., WLL (INTER-TECH)

- Was established in 1991 as a trading company.
- Expanded to niche markets such as Telecommunication, Solar Energy, Electrical, Electronics, Security & Safety Solutions, Computers & IT, Oil & Gas, Engineering Laboratory, General Maintenance & Facility Management.
- Employing teams of engineers, technicians, and expert support staff with many certified in different technologies.
- Serving with many Qatari clients in government, semi-government and private sectors for many decades.
- Held in high esteem for its extraordinary and unparalleled excellence, stands out as a leading service provider in the dynamic technology sector of Qatar.
- In 2009, INTER-TECH marked a significant milestone by establishing its inaugural branch in Muscat Oman.

- In 2022, INTER-TECH was acknowledged for the BEST PROJECT - Qatar Armed Forces (QAF), Connex22 GOFuture in the United Arab Emirates, Dubai.
- In 2021, INTER-TECH was certified ISO 45001:2018 - Occupational Health & Safety Management System (OHS) and ISO 14001:2015 - Environmental Management System (EMS).
- In 2018, INTER-TECH became an ISO 9001:2015 - Quality Management System (QMS) certified.
- INTER-TECH was recognized as an Alcatel-Lucent Enterprise Qatar Accredited Business Partner.
- In 2015, INTER-TECH was awarded as Southern Europe, Middle East and Africa's DATA NETWORK PARTNER OF THE YEAR.
- From 1994 INTER-TECH has achieved the following milestones:
 - Attained the status of a Premium Business Partner of ALCATEL LUCENT ENTERPRISE.
 - Received various awards that commemorate its finest services and participations in different activities
 - Recognized for "BEST CUSTOMER LOYALTY & SUPPORT in Upper Gulf."

QUALITY POLICY STATEMENT

It is INTER-TECH's policy to exceed expectations of our customers by way of providing top quality, highly valued and exceptionally reliable services. We believe that our commitment to excellence and innovation is the best means of constantly accomplishing our goals. We emphasize on dedication, honesty, and integrity to guide our decision-making.

Our quality manual sets forth the quality system policies and defines compliance with ISO 9001:2015 requirements. INTER-TECH has measurable Quality Objective of Quality Management System to guarantee that our workforce is suitably competent in reaching our objectives. The achievement of quality services commands our devotion to our employees, clients we serve, and the community in which we operate.

Our philosophy is to cultivate and uphold our commitment to continual improvement of Quality Management System and to communicate this policy to every staff.

CUSTOMER SATISFACTION IS THE HIGHEST PRIORITY OF

INTERNATIONAL TRADING & TECHNICAL SERVICES CO. W.L.L.

A handwritten signature in black ink, appearing to read "V. Jhupe", is written over a horizontal line.

EXECUTIVE MANAGER

OUR MISSION

To supply systems, products and services of world class standards and specification to the requirements and satisfaction of our clients. To bring seamless and integrated services to our customers all in wide ranging fields and activities such as Telecommunications, Solar Energy, Electronics, Computers & IT, Oil & Gas, Facility Management, Electrical, Engineering Laboratory & General Maintenance

OUR VISION

To remain one of the most appreciated and professionally managed firms in all fields of our activities.

Company Activities and Products

COMPANY SERVICES OFFERED

- Engineering
- System Design
- Consultancy
- Supply
- Installation
- Project Management
- System Integration
- Commissioning
- Maintenance
- Operations

IN THE AREAS OF:

-  Telecommunication
-  Solar Energy
-  Electronics
-  Computers & IT
-  Oil & Gas
-  Gen. Maintenance
-  Electrical
-  Facility Management
-  Hospitality Services
-  Security & Safety Solutions

INTER-TECH has substantial experience working in a variety of environments including telecom operations, universities, multi-level office buildings, industrial plants, sport complexes, corporate complexes, military and police complexes, ministries, and many more.

Our telecommunication team is comprised of industry professionals, including designers and engineers, all equipped with impressive experience in the telecommunications sector. This wealth of knowledge allows us to deliver exceptional services across a broad spectrum of projects and industries.

Telecommunication Division's Services include, but not limited to, the following:

- Planning, Design, Engineering, Installation, Testing, Commissioning, Multi-System Integration, Project Management, Maintenance & Operations in all fields of telecommunication such as: Voice, Data, Fiber System, Transmissions, Network Management System, Microwave, Enterprise Solutions, IP Telephony, Testing System, Test Equipment, LAN, WAN, Power Systems, Cabling Systems.
- Provision of system integration services.
- Preparation of projects specification and bid documents.
- Engineering / Design, As-Built Documentation and CADD Services

TELECOMMUNICATION DIVISION PRODUCTS

We provide world class products and system such as:

- Telephones
- Fiber Optic cables
- Copper cables
- Antenna
- Modems
- Connectors
- External Plant Accessories
- Power Supply
- Broadcast Transmitters
- Paging Terminals
- Intercoms
- Cable Jointing System
- Telephone Test systems
- Datacom Systems
- Switching Systems
- Telecom and Instrument Cables
- Batteries & Data Centers
- Facial recognition system
- Noise detection system
- Test Equipment
- PABX
- Multiplexers
- Radios
- Training System
- Microwave Equipment
- Digital Communication Devices
- AI Solution
- VR/MR Solutions
- Bigdata Solution
- UPS Solutions
- Multimedia Delivery System
- Telecom Software Solution
- Radio Frequency Loads
- CCTV Systems
- Transmitter Valves
- Intelligent Network
- Charger

SOLAR ENERGY DIVISION

Empowering the Future with Solar Energy

SOLAR POWER PROJECT ;

- Engineering
- Installation
- Commissioning
- Remote monitoring
- Maintenance
- Troubleshooting

SOLAR POWER ENERGY PRODUCT

SOLAR POWER ENERGY SYSTEM

Comprehensive in-house engineering, procurement, and commissioning services for both on-grid and off-grid solar power systems. Ongoing maintenance to ensure peak performance and reliable power generation. Remote system monitoring customized to client requirements, with IoT-enabled solutions for utility metering.

SOLAR STREET LIGHT

The solutions feature solar-powered columns designed to illuminate roads, public squares, bus stops, and more. Equipped with solar cells and batteries, these columns operate independently. Advanced control systems optimize power usage and allow optional grid connection for additional power support.

PORTABLE SOLAR SYSTEM

A trolley-mounted solar panel offers the advantage of mobility over a fixed solar panel setup. This ability to move enables the panel to operate efficiently in various locations at different times throughout the day and night.

SOLAR CLEANING ROBOT

Ensuring productivity in large solar installations requires an effective approach to keeping panels clean. With our expertise in the energy production sector, we provide tailored and efficient cleaning solutions specifically designed for solar farms.

PRODUCTS

SOLAR PANEL FIXING KIT

FLEXIBLE SOLAR PANELS

SOLAR CLEANING ROBOT

PORTABLE SOLAR SYSTEM & BATTERY PACK

SOLAR INVERTER

SOLAR KIOSK

Li-ion BATTERY PACK

SOLAR BENCH

ELECTRONICS DIVISION

INTER-TECH provides a full range of services in the field of industrial and commercial electronics system to most of the industries in Qatar. We deliver professional support, technical expertise, modern facilities and a culture of empowered associates dedicated to integrity, flexibility and responsiveness.

Our commitment extends to providing total integrated solutions, including multi-system integration, supported by advanced technical assistance.

ELECTRONIC DIVISION PRODUCTS

We provide world class products and system such as:

- Speed Radars
- Red Light Monitoring Systems
- Portable Radar Cameras (handheld/ tripod/container)
- Integrated Test Systems
- E- Voting & E-Counting Devices
- ID Systems
- Marine Radios
- Alarm CCTV Systems
- Vehicle Location Systems
- Video Door Phones
- Handheld / Mobile Radios
- Cipher (encryption systems)
- CATV Systems
- Broadcasting Equipment
- Parking Meters
- Power supplies, UPS and Chargers
- Access Control Systems
- ANPR Cameras
- IR Lights
- CCTV Solutions
- Number Plate Solutions
- Embossing Machine
- Hot Stamping Machines

COMPUTERS & IT DIVISION

INTER-TECH offers unsurpassed information and computer technology products and services, including hardware and software solutions, catering to the needs of both government and commercial customers to achieve their technological business objectives.

Our team of experts is dedicated to delivering and implementing the most cost-effective technical solutions with meticulous attention to detail, ensuring the provision of top-tier products and services

We provide excellent services in:

- Desktops and Laptop, PCs
- PCs Peripherals
- Scanners and Printers
- Graphic and Sound Cards
- Cartridges & toners
- AV & PA Systems
- Storage Solutions
- Network Interface Cards
- IT Maintenance
- Modems/Routers/Switches
- Power Supplies/Connectors/Adaptors
- Cabling & Networking
- Structured Cabling
- Telephone systems & Intercoms
- Networking
- System Supply & Integration
- System Design and Analysis
- Software Development
- Access Control System
- System Components
- CCTV System
- Internet Cameras
- After Sale Service
- Annual Maintenance Contracts

COMPUTERS & IT DIVISION PRODUCTS

OIL & GAS DIVISION

OIL & GAS SERVICES

INTER-TECH delivers cutting-edge technological innovations in equipment and services to various areas within the mechanical engineering and oil & gas sectors.

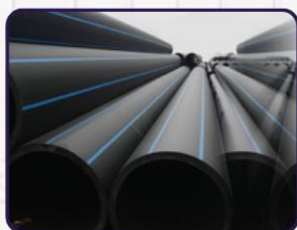

OTHER SERVICES INCLUDE:

- System design
- Engineering
- Project Management
- Installation
- Pre-commissioning
- Commissioning
- Start up Assistance
- Preparatory works
- Development of project specific \strategies
- Operation
- Maintenance
- Project Engineering
- Internal Management Procedure
- Review project engineering data requirements
- Assessment of commissioning consumable
- Equipment inspection and testing
- System automation
- Installation and control testing
- Witnessed equipment inspection and testing.
- QA/QC Procedure.
- Operational spares preparation and implementation procedures
- Performance test run.

OIL AND GAS PRODUCTS

We offer a wide range of products such as:

- Line pipes (GRP, HDPE, Conventional)
- Gasket, Sealant, etc. for valves and pumps
- Graphite packing materials for valves and pumps
- Industrial protective wears, PPE
- Gas Treatment and Fire Protection systems
- Polyethylene, PVC, Polypropylene fittings
- Scada, Fire and Gas System
- Valves & Accessories
- Blast proof doors and structures
- Butt-weld fittings
- Chemical Suit
- Power Supplies, UPS and Chargers
- Switch Gears, Panels
- Generator, HVAC, MEP
- Oil Spill
- Pressure Vessels, Heat Exchangers
- Utility Boiler & Scrubber system

GENERAL MAINTENANCE DIVISION

We provides unparalleled services to assist homes, offices, camps, and commercial buildings in maintaining and enhancing their overall value

Our team comprises professionals with extensive experience in all facets of general maintenance, offering superb, fulfilling, and cost-effective solutions.

We provide services in the following fields:

➤ Electrical

Repair and replacement of all kind of household electrical equipment/wiring and other low voltage systems.

➤ PLUMBING SERVICES

Repair and replacement of piping system tubing, faucets, tubs, shower, clogged sink, toilet bowls and many more plumbing works.

➤ IT Services

Diagnosing, repair and maintenance of personal computer, laptops, networking, software either on site or off site.

➤ GENERAL SERVICES

Wood work, mechanical, civil repairs , maintenance works etc. undertaken as well.

ELECTRICAL DIVISION

Providing excellent service in the fields of:

- ✓ Engineering
- ✓ Installation
- ✓ Commissioning
- ✓ System Integration
- ✓ Maintenance
- ✓ Operation

SERVICES

- ✓ Power Generation
- ✓ Transmission Lines
- ✓ Power Distribution and Substations
- ✓ Renewable Energy
- ✓ Rural Electrification
- ✓ UPS

ELECTRICAL PRODUCTS

FACILITY MANAGEMENT DIVISION

We offer comprehensive, integrated Facility Management services at reduced costs, while placing a strong emphasis on the quality of services delivered.

With our top-tier resources, we provide intelligent, goal-oriented solutions that deliver a competitive advantage to our clients' businesses.

Ooredoo Supply, Installation, Commissioning and Support & Maintenance of Microchip IP Clock	Urbacon Trading & Contracting 2022 Supply and Installation of PABX	Urbacon Trading & Contracting 2022 Supply and Installation, Testing and Commissioning of Nokia	Jaidah Motors 2020 Site of Pabx System
Al Muntasser 2020 Site of Access Control System	Amp Coffee Bar 2019 Site of CCTV System	Ramaco 2019 Site Of Structured Cabling System and Switches	Mowasalat 2019 Site of Structured Cabling, Switches and Transceiver
Friendly Food 2019 Site Of Ip CCTV System	QAPCO Supply, Lay down, Installation and Testing of Fiber Optic Cables, Fiber Trays, and Analogue Phone Cables – IT Network Infrastructure	Sigma Enterprise 2019 Site Of CCTV System	Alfardan Hotel 2019 Supply and Installation of Alcatel Phones
CGC Supply, Installation, Testing, Commissioning, ONMS	Ooredoo Installation & Maintenance Services of Telephone Lines, Internet, Moziac Services	New Doha International Airport 2013 Supply, Installation, Testing & Commissioning of UPC & Rectifier System for Security Buildings	Medgulf Const. 2013 Supply and Installation of Cables & Accessories
Ministry Of Interior 2013 Supply, Installation, Programming, Testing	Cassidian 2013 Dismantling of Telephony	Ministry Of Interior 2013 Supply of Solar Camera Tower	Ministry Of Interior 2013 Supply of 40KW AC/DC System and Supply of Power Cables
CGC Supply, Installation & Commissioning of Fire Alarm System	Huawei Survey and Design, Right of Way and Implementation for OSP Services	CGC Supply, Installation , Testing, Commissioning of ONMS	Huawei Q-tel NATION BROAD BAND FTTX Project
Ooredoo Maintenance & Support (SLA) -6 Months	Ericsson Supply, Installation of ONMS Equipment	Nawras Maintenance & Support (SLA) 5th Year	New Doha International Airport Supply, Installation, Testing & Commissioning of APC Module
Huawei Installation of Fiber Connections (FTTX) to Home, includes Telephone, Internet	Qatar Steel Company 2012 Supply Installation, Testing, and Commissioning 30KVA UPS & 220 GXL Batt.	CGC 2012 Supply, Installation , Testing, Commissioning of Alcatel SDH &PDH Equipment	CGC Supply, Installation , Testing, Commissioning of Alcatel SDH &PDH Equipment (FIRE & SAFETY)
Rasgas 2012 Supply of Generator Diesel set, etc.	Al- Muftah Contracting Supply, Installation , Testing, Commissioning of Speed Radars and Red Light Signal Radars	Qatar Gas Supply and Installation of Qgas Fibre Optic Network	CCTC Supply, Installation , Testing, Commissioning of Alcatel SDH & PDH Equipment for Multipurpose Project
Ministry Of Interior Completed Supply, Installation & Commissioning of AC/ DC Power System	Qatar Universal Trading & Cont. 2012 1642 EMC SDH Compact Node One for Site Office		

OUR MAJOR PROJECTS

Qatar Telecommunication 2012 Supply, Installation & Commissioning of Upgrade of Signaling Monitoring System	Qatar Kentz 2012 Service and Maintenance of SDH & PDH	Linde Group 2012 Provision of Alcatel Lucent Expert for De-commissioning	Freight System 2012 Supply, Installation & Commissioning of PABX System
Qatar Kentz 2012 Services Level Agreement for SDH Equipment .	Asco 2012 SIC Of PABX System	Hyundai Engineering & Construction Co. Ltd 2012 Annual Supply and Support for Alcatel Lucent	Archidon Group NV 2012 De-commissioning and Transfer of 30 Channel Praline
Qatar Kentz 2012 Service & Maintenance for 1X1642 Emux	Huawei 2012 Installation of Installation of ATB, ONT CAT etc.	Nakilat -Keepel Offshore & Marine Ltd. 2012 Service and Maintenance	CCTC 2012 Alcatel Lucent SDH,PDH System including Updating
Punj Lloyd 2012 Laying and Commissioning of Fiber Optic Cable System	Qatar Kentz 2012 De- Commissioning of 1 No. of Alcatel -Lucent	Qatar Telecommunication 2012 Upgrading of Existing SS7 Monitoring System	Qatar Telecommunication Completed Installation and Maintenance Contract
Qatar Kentz 2012 Provision of Alcatel Lucent expert for de-commissioning	JGC Corporation 2012 Re-Commissioning, Trouble shooting & Testing	PORR Qatar Construction 2012 Supply, Installation, Commissioning of PABX System	Qatar Steel Company 2012 Service of level agreement for SDH equipment
Bridge Electro-Mechanical & Contracting Co. 2012 Supply, Installation, Commissioning of PABX System	Hyundai Engineering & Construction Co. LTD 2012 Provision of Alcatel Lucent expert for de-commissioning	Control Contraction & Trading Company Supply , Installation & Commissioning of SDH & PDH Equipment.	Qatar Telecommunication Upgrading of Existing SS7 Monitoring System.
Video Home & Electronics Center Supply, Installation and Commissioning of Alcatel-Lucent Switches and Services including structured Cabling and Optical Fiber Networks	Hyundai Engineering & Construction Co. Supply , Installation & Commissioning of Alcatel-Lucent SDH Equipment.	Gulf Engineering & Trading Supply , Installation & Commissioning of UPS System including Back net IP Integration 19 system	Qatar Telecommunication Support & Maintenance Agreement of H/W & S/W for Nexus SS7 Monitoring System .
Qatar Telecommunication 2008 Supply, Installation, Commissioning of Service Management for Business DSL Enhancement	Daewoo Engineering & Construction Co. 2008 Supply , Installation & Commissioning of Alcatel-Lucent 1642 EMUX Equipment & services	Qatar Telecommunication 2008 Supply, Installation, Commissioning 7 replacement of Cesium Clocks	Nawras OMAN 2008 Supply, Installation, Commissioning and Maintenance of Network Management System (5years Contract)
Video home & Electronics Center 2008 Supply, Installation & Commissioning of Belkin Router, Cisco switch and Access Points	Qatar Telecommunication 2008 Supply , Installation & training of DC Power Plant for NGDLC – 14K Expansion.	Qatar Telecommunication 2008 Supply , Installation & Commissioning of Nexus CDR Export Interface	Somerset west Bay Supply , Installation Testing & Commissioning of Alcatel PABX System
Qatar Shell GTL (JGC-KBR) 2007 Supply, Installation & Commissioning of Alcatel PABX System	Qatar Kentz 2007 Supply & Installation of Load DC System (rectifier System) with MTI Honda Clear Case pocket Plate	Qatar Kentz Supply , Installation & Commissioning of DC Power System	

OUR MAJOR PROJECTS

 Ministry Of Interior 2007 Provision of Block wiring	 Qatar Telecommunication 2007 Installation services for DEL, ADSL, Triple play, WLL & push pair	 Qatar Telecommunication Supply, Installation & Commissioning of Time stamp Sync-NTP server	 Al Manhal Water Factory 2006-2007 Supply, Installation & Commissioning of Alcatel PABX System
 Al Jazeera Children's Channel 2006-2007 Supply, Installation & Commissioning of Microwave System	 KLM 2007 Supply, Installation & Commissioning of Alcatel PABX System	 Qatar Petroleum 2007 Supply, Installation & Commissioning of SDH/PDH Equipment	 Qatar Shell GTL Supply, Installation & Commissioning of SDH/PDH Transmission System
 Chiyoda Technip Joint Venture 2007 Supply & Installation of 48VDC/12A Load DC System (Rectifier System)	 Ministry Of Interior 2007 Provision of Trunking & Block wiring works	 Qatar University 2007 Engineering, procurement, Installation & Commissioning of Back up Utilities	 Al Jazeera Children's Channel 2007 Supply & Installation of 48VDC/27A Load DC System KL11P GAZ translucent Case NiCad Battery.
 Qatar Telecommunication 2006-2007 Supply, Installation & Commissioning of Broad band access Network Expansion (ADSL2+)	 Ministry Of Interior 2006 Provision of Block Wiring	 Qatar Petroleum Supply, Installation & Commissioning of Telecommunication System	 Voltage Eng'g. Ltd. 2006-2007 Supply, Installation & Commissioning of Ethernet Cards for EPIC of the Power Supply
 Qatar Telecommunication 2006-2007 Supply, Installation Testing & Commissioning of Quality of Service (Qos) Management	 Future Pipe Industries 2006 Supply, Installation & Commissioning of Alcatel OmniPCX PABX System	 Qatar Petroleum Re-programming of Motorola Radio	 Cameron 2006-2007 Supply, Installation & Commissioning of PABX System
 Qatar Petroleum 2006-2007 Supply, Installation, Testing & Commissioning of SDH/PDH Equipment for Liquefied Berth 1A 1B project	 Chiyoda Technip Joint Venture 2006 Supply, Installation & Commissioning of SDH/PDH Equipment	 Qatar Petroleum 2005 Supply, Installation, Testing & Commissioning of stabilized clock source for SDH Network	 Qatar Petroleum 2004 Supply, Installation, Testing & Commissioning of Alcatel SDH/PDH equipment & 1320 Craft Terminal
 Qatar Telecommunication Supply, Installation & Commissioning of ADSL Expansion Phase II	 Qatar Telecommunication Supply, Installation & Testing of TVRO	 Qatar Telecommunication 2001 Supply, Installation & Commissioning of Digital Microwave Mini Link	 Qatar Petroleum Supply, Installation & Commissioning of battery chargers
 Qatar Telecommunication 2000 Supply, Installation & Commissioning of GSM Network	 Qatar Telecommunication 2000 Supply, Installation & Commissioning of mini Link Microwave Radio.	 Hamad Medical Corporation 1999 Supply, Installation & Commissioning of Intercom System	 QAFCO 1996 Supply & Installation of GPR pipes III expansion project
 Qatar General Petroleum Corporation 1995 Supply & Installation, Testing & Commissioning of Fire & Gas Detection & Protection System	 Qatar Telecommunication 1995-1996 Supply, Installation & Commissioning of DDN Equipment	 Qatar General Petroleum Corporation 1993 Supply of Telecom Equipment	 Qatar General Petroleum Corporation 1992 Supply & Installation of HDPE Pipes and Fitting
 Public Works Authority (Ashgal) Supply & Installation of Three numbers of Dual Chargers with Batteries STW. P45 Battery Chargers 37 x KL11P GAZ translucent Case NiCad Battery	 Qatar National Olympics Committee Supplies and Installation of Three numbers of UPS & Generators (60kVA astrid UPS System interface to Automatic Transfer Switch (ATS) 60kVA Generator)	 Chiyoda Technip Joint Venture Supply & Installation of 48VDC/12A Load DC System (MTI Com10 48VDC/375A max. Rectifier System) with 37 x KL40P GAZ Translucent Case NiCad Battery
